Board of Governors

The regular monthly meeting of the Governors was held on Friday, 6 April. The following topics were among those discussed.

Preliminary Operating Budget 1979-1980

Of outstanding interest at the meeting of the Board of Governors on Friday, 6 April, was the introduction of the Preliminary Operating Budget for the new fiscal year. Under the direction of Mr. E.B. Allan, Chairman of the Finance Committee, members of the Board were led through the rather involved document stage by stage. The complexity of the documents was enhanced to some extent by earlier verbal communications from the Department of Advanced Education and Manpower to the effect that University can expect only an eight percent increase in funds for 1979-80. The budget submitted to the Board, however, was based in large part on the assumption that the University could expect an 8.25 percent increase in its operating funds.

At the request of Mr. Allan, therefore, the document approved by the Board was considered only as a budget for expenditures and not as a proper statement of anticipated revenues. At present, the anticipated expenditures for fiscal 1979-80 are in the order of \$136,800,000. With the apparent loss of one quarter of one percent of the expected increase in operating funds, however, the University is faced with a deficit in the order of \$290,000. To this may be added a \$1,000,000 transfer to general revenues from

the Unallocated Interest, Dividends and Capital Gains and Losses account. In short, the University's financial position is not one to be envied.

The main features of the proposed budget may be summarized thus:

—The thirty-two academic positions "frozen" last year are to be eliminated.

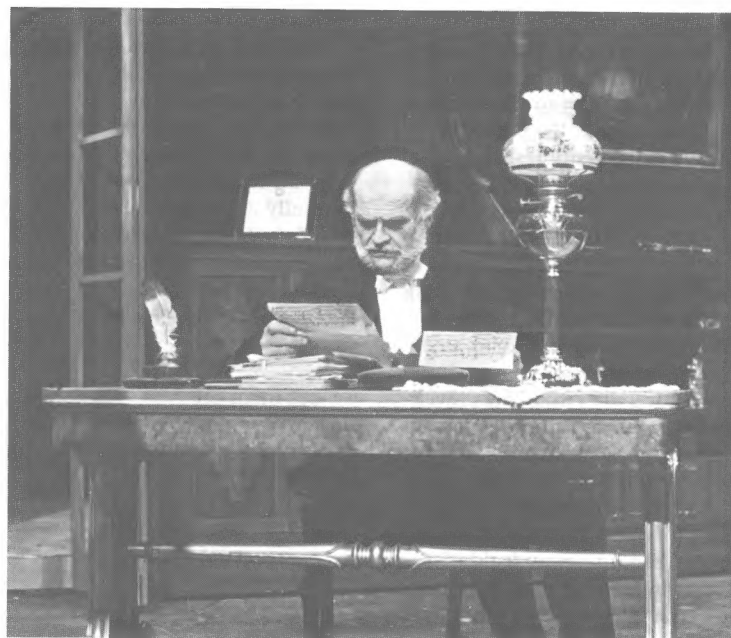

—Physical Plant loses \$400,000.

—A one percent tax will be imposed on all budget units with the exception of Building Services and Plant Maintenance, Library Acquisitions, utilities, Special Services, Technical Services, staff benefits and transfer payments.

—The Faculties of Engineering and Business Administration and Commerce can expect an increase of five permanent faculty members.

During the course of discussion, it became apparent that members of the Board were generally dissatisfied with the manner and amount of financial support the University receives. There was even consideration, against the expressed will of the former Minister of Advanced Education and Manpower, that tuition fees be increased. That proposal was tabled for more consideration at the special meeting of the Board scheduled for 20 April, but another motion was carried to the effect that the provincial government be asked to make up the difference in revenues the University might have received were tuition fees raised by an amount, 8 percent, equivalent to the recognized rate of inflation.

Two reactions of Board members

A scene from Studio Theatre's recently produced "Wild Duck" by Ibsen.

may be cited to illustrate the sentiments of those present: Mr. J.L. Schlosser, Chairman, suggested that the government's practice of "across-the-board increase" is "just not realistic," and Dr. R.J. Crawford, academic representative, expressed the opinion that the University will be in "really, really rough shape in the coming year."

Restrictive Government Regulations Affecting Research at the University

The Academic Concerns Committee recommended and gained re-affirmation of a resolution first adopted by the Board in December 1976: "The Board of Governors reaffirms the principle that the functions of the University include teaching and research, that the University Academic Staff and Students should be assisted, and not

hindered, in the pursuit of these goals. Insofar as some provisions of the Alberta Historical Resources Act appear to interfere with the legitimate activities of the University palaeontologists working in the province, we believe that this legislation should be amended to eliminate or modify such sections."

In the supporting material presented to the Board, the Academic Concerns Committee cited a number of reasons for the re-affirmation of the above resolution. Within the past several years, since the passage of the Alberta Historical Resources Act, staff members in Zoology, Botany, Geology, and other departments have been hampered by restrictive regulations governing the collection and proper disposal of specimens necessary for teaching and research. There have even been restrictions placed on the

dissemination of information gained from a study of such specimens. Moreover, while the loan of specimens to colleagues in other institutions outside the province or the country is said in the brief to be a "standard professional practice," sections of the Act prevent the loan, transport, and storage of such Crown property outside the Province of Alberta.

In the Fall of 1976 both the President of the University and the Vice-President (Academic) expressed concern to the Minister of Culture about the potential harm to University research occasioned by such restrictive regulations. Nevertheless, although the Alberta Historical Resources Act has undergone amendment on two separate occasions, according to the brief submitted by the Academic Concerns Committee, "there was no prior consultation with university researchers (even though we had proclaimed our interest) and the situation is worse today than it was in 1976."

By the re-affirmation of the resolution, the Board of Governors hopes to sway legislative action in favor of the University's research interests. The resolution will be sent to the appropriate government authorities.

Enrolment Quotas, 1979-80

Listed below are the quotas for

enrolment approved by the Board for the academic year 1979-80. Apart from marginally changed quotas in Civil and Electrical Engineering, the quotas established for the current academic year remain in effect. It should be noted, however, that the Board has forwarded to the Minister for Advanced Education and Manpower a proposal to increase the quota in the Post RN Nursing Program to 144. Such an increase in Nursing is entirely dependent on extra funding from the provincial government.

In addition, the quotas established for the Faculty of Business Administration and Commerce, currently 210 first-year and 200 transfer admissions, are under consideration with a view to possible increase.

Acting and Design Program in Drama	20 (1)*
Agriculture and Forestry	210 (1)
Business Administration and Commerce	Under review

** Admission to these programs is in the second years.

Alumni Support

The Committee on Community Relations reported on the important financial assistance given to the University by its former students. According to that report some 2,995 alumni had contributed \$76,946 to the Alma Mater Fund Campaign by 20 March 1979. The campaign is coordinated through the Alumni Association and the Office of Community Relations.

University Priorities Committee:

Recommendations 8 and 9

On 2 February 1979, the Board agreed to defer consideration of Recommendations 8 and 9 of the University Priorities Committee until they had been discussed by the General Faculties Council. The proposed recommendations are concerned with substantive issues: the review and evaluation of academic programs (8) and the policy concerning the filling of vacant positions (9).

GFC, therefore, has recommended the following:

8 (1) *A system of academic program evaluations be considered at the University of Alberta;*

(2) *The terms of reference for the evaluations be worked out by the Academic Development Committee in collaboration with Deans' Council and in consultation with others in the University community.*

(3) *The terms of reference for the evaluations be filed with the Secretary of GFC no later than October 5, 1979.*

The Board accepted GFC's recommendation as information and requested GFC to submit by 15 June, and not by 5 October as recommended by GFC, a detailed proposal for a system of reviews or evaluations of academic programs. The proposal will include the purpose of these reviews, how and by whom they are to be carried out, to whom the reviews will be reported, and an estimate of their scale and cost.

9 *That an enunciated policy of position control be applied to the filling of vacancies which occur among permanent academic and non-academic positions, and the establishment of any new permanent positions. The policy should be administered by the Vice-President (Academic) under the direction of the University Planning Committee.*

After lengthy and somewhat involved discussion of this recommendation, as it has been amended by GFC to include non-academic staff, the Board agreed to table the matter, postponing any decision until the special

meeting on 20 April.

Appointments

The Academic Concerns Committee announced at the meeting on 6 April the following appointment and re-appointment of departmental chairmen:

Appointment

T.L. Burton, Recreation Administration, with a five year term effective from 1 July 1979 to 30 June 1984. Dr. Burton is a Canadian citizen born in the United Kingdom in 1941, who gained a BSc in Economics at the University of London in 1963 and a PhD in Resource Economics at the same University in 1967. In 1969, he took up a position as Associate Professor and Graduate Officer at Michigan State University and a year later moved to a similar position at the University of Waterloo. From 1973 to 1976, Dr. Burton held positions in the Ministry of State for Urban Affairs in Ottawa, an appointment he left to become Associate Professor in the Department of Recreational Administration at this University. He gained tenure and became Professor in 1978. The author of five books in the recreation, resource and planning fields, and of numerous reports, articles, and papers, Dr. Burton is now attending the Third World Congress on Leisure in Brussels and several seminars at institutions in the United Kingdom.

Re-appointment

R.A. Stangeland, Music, with a term effective for five years from 1 July 1979 to 30 June 1984.

Housing and Food Services Rates for 1979-80

At the meeting on 6 April, the Board accepted the recommendations of its Finance Committee and established the following rates for student accommodations in 1979-80.

Lister Hall

Session contract	Room	Board	Total
Double occupancy	\$ 720	\$ 900	\$1,620
Single occupancy	1,080	900	1,980
Bachelor	1,030	900	1,930
<i>Four-month contract</i>			
Double occupancy	380	450	830
Single occupancy	570	450	1,020

<i>Monthly contract</i>			
Double occupancy	105	120	225
Single occupancy	155	120	275

<i>Deposits</i>	<i>Application</i>	<i>Damage</i>	<i>Total</i>
<i>Double occupancy</i>			
Session	\$202.50	\$50	\$252.50
Four-month	207.50	50	257.50
<i>Single occupancy</i>			
Session	247.50	50	297.50
Four-month	255.00	50	305.00
Monthly	275.00	50	325.00

<i>Bachelor</i>			
Session	241.25	50	291.25
<i>Pembina Hall</i>			

<i>Session contract</i>	<i>Room</i>	<i>Board</i>	<i>Total</i>
Standard room	\$1,035	\$ 800	\$1,835
Large room	1,265	800	2,065

Faculté Saint-Jean

<i>Session</i>	<i>Room</i>	<i>Board</i>	<i>Total</i>
Spring	\$ 176	\$ 264	\$ 440
Summer	176	264	440
Special	68	104	172
Winter	677	1,063	1,740

Michener Park (monthly rental rates)

Ground floor maisonettes	\$208.50
Galbraith House, second- and third-floor maisonettes, and two-bedroom row houses	220.00
Vanier House	222.50
Three-bedroom row houses	237.50

North Garneau Housing Community

A rental increase for accommodation of 8 percent for a house or suite, effective 1 September 1979

Housing Union Building (HUB)

<i>Unit</i>	<i>Unfurnished</i>	<i>Furnished</i>
One-person	\$175	\$200
Two-person	250	275
Four-person	380	435
Special End	270	—

Withdrawal and cancellation fees

For the regulations concerning withdrawal and cancellation fees, apply to the Housing and Food Services administration.

According to the submission from the Finance Committee, the rate increases given here have been discussed with representatives of the residents and with the GFC Housing and Food Services Committee. It should be noted that net revenues from any one operation will be used to offset deficits of other housing operations. This is a departure from past practice when each operation was budgetted on an individual "break even" basis.

A second innovation to be implemented in the near future is the issuance to each resident of coupons of various denominations at regular intervals throughout

the Winter Session. Students will receive \$945 in such coupons at a cost of \$900 payment. For residents of Pembina Hall, who only receive two meals daily during weekdays, the cost and value of the vouchers will be \$100 lower.

Faculty of Extension

English Language Program

On the recommendation of the Finance Committee, the Board approved a grant of up to \$25,000 to the English Language Program of the Faculty of Extension for the fiscal year 1979-80. The program provides instruction in English as a second language to visiting international students who are excluded from provincially-funded programs because of their visa status. The amount granted by the Board is based on an anticipated enrolment of 300 visiting international students in four terms during the fiscal year.

Building Committee

At the 6 April meeting the Board Building Committee made two recommendations: that \$577,000 be allotted to the construction of the structural shell of Phase VII(a) Service Corridor Extension to the Health Sciences Centre Redevelopment and that the name of the Strachan Experimental Block be changed to "The University of Alberta Crossley Pine Forest" in recognition of the pioneering work of Desmond Ivan Crossley. Both recommendations were approved.

In addition, the BBC reported that it has approved planning funds in the amount of \$53,000 for a new sanitary sewer drainage system at the Edmonton Research Station and \$66,500 for the installation of a zoned fire alarm system for the Dentistry-Pharmacy Centre. □

General Faculties Council:

New Members

At the last regular meeting of General Faculties Council, on Monday, 26 March, the following

names of elected and appointed members were received:

R.A. Pitts (Faculté St.-Jean)
(6/1982)
A. Chaudry (GS-Economics)
(3/1980)
E. Egert (Germanic Languages)
(6/1982)
A.M. Munn (Music)
(6/1982)
R.M. Nielsen (Classics)
(6/1982)
P.A. Schouls (Philosophy)
(6/1982)
C.H. Beck (Psychology)
(6/1982)
B.D.E. Chatterton (Geology)
(6/1982)
J.T. Hogan (Linguistics)
(6/1982)
G.A. Moss (Physics)
(6/1982)
G.C. Neilson (Physics)
(6/1980)

Alfred Reim 1930-1979

Alfred Reim, a technician with the Department of Technical Services, died on 2 April. Mr. Reim had been with the University since 1970. In his capacity with Office Equipment Repair, he became well known and well liked by many people on campus.

Clinical Trials Symposium

The Division of Continuing Medical Education at the University of Alberta will act as co-sponsor for a symposium on clinical trials, to be held on 31 May and 1 June.

"Medical Advances Through Clinical Trials: A Symposium on Design and Ethics of Human Experimentation," will be held in the Citadel Theatre's Zeidler Hall. Topics to be discussed in the two day symposium include a review of the development of clinical trials in medicine, the common problems of clinical trials, and the use of control groups.

Delegates to the symposium

include members of the Faculties of Law and Medicine from universities and research centres in Canada and the United States. H.R. Rabin of the University of Alberta, A.B. Miller of the University of Toronto, M. Wyman of the Alberta Human Rights Commission, and D.L. Sachelt of McMaster University will act as discussion chairmen.

Registration fee for the symposium is \$55, or \$15 for students. Application deadline is 17 May, and further information may be obtained by telephoning 432-6346, or by writing to: Division of Continuing Medical Education, 12-103 Clinical Sciences Building University of Alberta Edmonton, Alberta T6G 2G3

people

Terry Hull of the Department of Elementary Education attended the British Columbia Teachers of English as an Alternate Language conference on 16 and 17 March. She gave a paper entitled "Linguistics and the Teaching of the Suprasegmentals," and she conducted a workshop on teaching techniques for intonation and stress.

Charles H. Davis, Dean of the Faculty of Library Science, participated in the 19 to 21 March conference of OCLC, a computer based network providing on-line access to a data base of 4.7 million records processed by over 2,000 libraries and information centres in the United States and Canada.

Milan V. Dimic, Professor of Comparative Literature, gave a paper on "The History and Theory of Literature as a Historical Institution" to the International Colloquium on Theories of Literary History held

in Toronto from 28 to 31 March. Among other Canadian participants were Marshall McLuhan and Northrop Frye.

At the invitation of the Department of Education, Victoria, Australia, Dr. R. Bryce of the Department of Educational Administration acted as consultant to the Institute of Educational Administration of Victoria during the first two weeks in March. While in Australia, Dr. Bryce was also guest speaker to the Victorian Council for Educational Administration and a guest lecturer at the School of Education, Melbourne University.

M.A. Porter and F.E.M.K. Senkoro, graduate students in Comparative Literature, gave papers on "The Child Narrator and the Theme of Lore in Cameroonian Literature" and "The Proverb Story in Swahili Literature" at the annual meetings of the African Literature Association in Bloomington, Indiana. S.H. Arnold, Associate Professor of Comparative Literature, was elected to a two-year term as Editor and Secretary-Treasurer of the Association. Arnold and Porter were named editors of the annual proceedings to be published by Tri-Continent Press.

L.C. Green of the Department of Political Science addressed the Medicine Hat College on "Terrorism and its Control"; the Medicine Hat Chapter of the Canadian Club on "The Problems and Future of Southern Africa"; and the Calgary Chapter of the American Rights of Way Association on "The Middle East and the Energy Crisis." Dr. Green has also been appointed Canadian Delegate to the International Committee of the Red Cross Conference on Humanitarian Law.

Donald Betts, Professor of Physics, has recently been appointed to the Editorial Advisory Board of *Physica A* one of the world's leading physics research journals. Dr. Betts is the only Canadian on the editorial board of the journal which is published in the Netherlands.

Herman Tennesen, Professor of Philosophy, has been invited to read a paper at the 6th

International Congress of Logic, Methodology and Philosophy of Science to be held from 22 to 29 August in Hannover, Bundesrepublik Deutschland.

coming events

Listings must reach the Editor by 9 a.m. on the Thursday prior to publication. Written Notification is necessary. Listings should be sent to 423 Athabasca Hall.

Music

Department of Music

The following student recitals will be given in Convocation Hall, free admission, on the dates stated. Persons wishing to attend are asked to contact the Department office, 432-3263, as the schedule is subject to change.

12 April, Thursday. 5 p.m. William Christensen, pianist. 8 p.m. John Nagy, flautist.

16 April, Monday. 8 p.m. Jennifer Scragg, soprano.

17 April, Tuesday. 8 p.m. Doreen Beck flautist, and Janet Scott, pianist.

18 April, Wednesday. 8 p.m. An evening of scenes from operas by Mozart, Rossini, and Puccini.

20 April, Friday. 8 p.m. Angela Cheng, pianist.

21 April, Saturday. 8 p.m. Tim Mallendaine, tenor.

22 April, Saturday. 8 p.m. David Tutt, pianist.

Students' Union Theatre

18 April, Wednesday. 8 p.m. Edmonton Chamber Music Society presents The Borodin String Quartet. Admission by season membership only.

Latitude 53

15 April, Sunday. 2:30 p.m. "The Avant Garde Violin," with Jerry Ozipko, violinist. For further information telephone 423-3126.

Da Camera Singers

13 April, Friday. 8 p.m. and 15 April, Sunday. 3 p.m. Da Camera Singers present Bach's Cantatas no. 4 and no. 23. All Saints Cathedral, 10035 103 Street. Tickets available at the door.

Jubilee Auditorium

13, 14 April. 8 p.m. The Church of Jesus Christ of Latter Day Saints presents *Fiddler on the Roof*. Tickets available at Mike's. 19, 21, 23 April. 8 p.m. Edmonton Opera Association presents Donizetti's *Lucia di Lammermoor*. Tickets available at the SU Box Office, (HUB Mall), Mike's, the Citadel box office, and at the Edmonton Opera Association office.

The Ship

The Ship, located in the Lister Hall residence complex, provides nightly entertainment. For more information contact Michael Gilbert, telephone 479-0052.

Dinwoodie Lounge

14 April, Saturday. Canadian Crossroads International presents its annual spring dance, featuring the Hot Cottage Band. Dinwoodie Lounge, Students' Union Building. Tickets available at the door.

Films

Citadel National Film Theatre

11, 12 April. 7:30 p.m. *Isadora* (Great Britain, 1968).

13, 15 April. 7:30 p.m. *Zorba the Greek* (Greece/United States, 1964).

18, 19 April. 7:30 p.m. *Sounder* (United States, 1972). 9:15 p.m. *The Bingo Long Travelling All Stars and Motor Kings* (United States, 1976).

20 April, Friday. 7:30 p.m. *Mon Oncle Antoine* (Canada, 1971). 9:30 *Ti-Cul Tougas* (Canada, 1976).

22 April, Sunday. 8 p.m. *Ti-Cul Tougas* (Canada, 1976).

Department of Germanic Languages

12 April, Thursday. 7:30 p.m. *Die Meistersinger von Nürnberg*. 17 Arts Building. No admission charge.

Cinematheque 16

12, 13 April. 7:30 p.m. *Recommendation for Mercy*.

15 April, Sunday. 2 p.m. *Fantastic Voyage*.

19, 20 April. 7:30 p.m. *Death Weekend*.

22 April, Sunday. 2 p.m. *The Village of the Damned*.

For further information contact Cinematheque 16, telephone 437-3863.

Provincial Museum

13 April, Friday. 2 p.m. and 7 p.m. *The Ten Commandments* (United States, 1956).

15 April, Sunday. 4 p.m. and 8 p.m. *Ben Hur* (United States, 1959).

16 April, Monday. 2 p.m. *The Golden Age of Comedy* (United States, 1958).

18 April, Wednesday. 7 p.m. *Lust for Life* (United States, 1956).

22 April, Sunday. 4 p.m. and 8 p.m. *Lawrence of Arabia* (Great Britain, 1962).

Lectures and Seminars

Technocracy Lecture

16 April, Monday. 8 p.m. The Distribution of Abundance: A North American Problem," an illustrated lecture on technocracy's technological social design. Rocking Chair Lounge, HUB Mall.

Theoretical Physics Lecture

12 April, Thursday. 3:30 p.m. "A Mathematical Model for Non-linear Waves of Spreading Cortical Depression," with speaker Robert Miura of the University of British Columbia. V120 Physics Building.

Centre for Research in Teaching Lecture

17 April, Tuesday. 2 p.m. "The Use of a Language Laboratory and Self-Instructional Video Program in Teaching Five Different Communication Skills," with speaker Peter Calder. 2-115 Education North.

Physics Lecture

17 April, Tuesday. 3:30 p.m. "Power From Disorder," with

speaker G. Model of Harvard University. V120 Physics Building.

Year of the Child Forum
19 April, Thursday. 2:30 p.m.
"Responding to Juvenile Delinquency," with speaker James Hackler. 2-115 Education North.

Economics Lecture
18 April, Wednesday. 3 p.m.
"Internal Versus External Representations of Polytopes: Algorithms and Applications," with speaker Balder von Hohenbalken. 8-22 Tory Building.

Genetics Lectures
12 April, Thursday. 4 p.m.
"Hybrid Dysgenesis: What Is It?" with speaker J.A. Sved of the University of Sydney, Australia. CW410 Biological Sciences Building.
19 April, Thursday. 4 p.m.
"DNA Repair and Mutagenesis in the Eucaryote *Saccharomyces Cerevisiae*," with speaker Louise Prakash of the University of Rochester, New York. CW410 Biological Sciences Building.

Oral Biology Lecture
17 April, Tuesday. 12 noon.
"The Rostral Teeth of *Pristis* (The Sawfish)," with speaker Geoffrey Sperber. 6074A Dentistry-Pharmacy Centre.

Theatre

Northern Light Theatre
To 22 April. *Six War Years* by Barry Broadfoot and Scott Swan. For ticket information and show times, telephone 429-3110.

Theatre 3
Continuing. Otherwise Engaged by Simon Gray. For ticket information and show times, telephone 426-6870.

Walterdale Playhouse
From 17 to 21 April. *Walterdale Showcase*, an evening of three one act plays. For ticket information and show times, telephone 424-0121.

Workshop West
To 14 April. *One Night Stand* by Carol Bolt. Centennial Library.

For ticket information and show times, telephone 436-7378.

Citadel Theatre
To 22 April. *The Ecstasy of Rita Joe* by George Ryga. For ticket information and show times, telephone 425-1820.

Exhibitions

Provincial Museum
Continuing. "Ancient Crossroads: the Rural Population of Classical Italy," and "Villa Rustica: the Canadian Excavations," an exhibition which includes Greek and Roman ceramics and statuary, bronze and gold jewelry, coins, and other items from excavations in southern Italy.
Continuing. "Village in Transition," an exhibition which demonstrates the combination of traditional and modern influences in the Korean village of Sam Jong Dong.

From 18 April. "In Mountain Light," an exhibition of photographs of the Canadian Rockies from the Byron Harmon collection 1906 to 1934.

Edmonton Art Gallery
To 22 April. An exhibition of photographs by Nina Raginsky.
Continuing. "The Alberta Landscape," an exhibition which surveys the development of landscape painting with a particular emphasis on contemporary artists.
Continuing. "Recent Acquisitions '79," an exhibition of works of art purchased by or donated to the gallery in 1978.
To 22 April. An exhibition of works by members of the Edmonton Art Club.

Intercollegiate Rodeo

13, 14 April. Contestants from Alberta colleges and universities will compete in the Intercollegiate Rodeo. Spruce Grove Arena, 452 5 Avenue, Spruce Grove. Tickets available at the door. A dance will be held following the event on 14 April. For further information, telephone 432-4227.

service information

Notices

A/PO Long Service Increments
The following information has been received from B.H. MacDonald, Associate Vice-President (Academic Administration).

Interpretation of Clause 9.04 of the A/PO Agreement—Long Service Increments

Clause 9.04 of the Board-AASUA Agreement of—Administrative and Professional Officers is as follows with respect to long service increments:

9.04.1 A staff member whose salary is in the special salary range for that position is eligible to be considered for a first long service increment after having been within the special salary range for three (3) years.

9.04.2 If a staff member is awarded a long service increment under the provision of 9.04.1, the staff member is eligible to be considered for a second long service increment three years following the award of the first long service increment.

9.04.3 If a staff member is awarded a second long service increment under the provisions of 9.04.2, the staff member is eligible to be considered for a third long service increment three years following the award of the second long service increment.

9.04.4 Long service increments shall be awarded on the basis of meritorious service and in no sense shall they be considered as automatic or based on service alone. Satisfactory performance during the three (3) year period shall be considered as "meritorious."

9.04.5 A long service increment may not be awarded if the value of the increment is such that it will take the staff member's salary above the maximum salary for the position.

9.04.6 Long service increments shall be awarded in the same manner as set out in clause 9.02.1, above.

9.04.7 The decision of the officer authorized in clause 9.04.6/9.02.1 to award a long service increment shall constitute the decision of the Board and that officer shall advise the staff member, in writing, of the decision.

In that long service increments were not introduced to the A/PO Regulations until July 1, 1976, none have yet been awarded and none will be awarded until July 1, 1979. Various questions

have arisen as to the application of several of the sub-clauses. The following interpretations will apply:

1. A staff member is eligible to receive a long service increment on July 1, 1979 if the following conditions obtain: (a) that the staff member has held the same position since July 1, 1976; and (b) that the staff member's salary has been in the special salary range for the position since July 1, 1976.

2. A staff member who receives a long service increment effective July 1, 1979 is eligible for a second long service increment on July 1, 1982 and for a third long service increment on July 1, 1985 providing that any of these increments shall not serve to increase the staff member's salary to an amount in excess of the maximum salary for that position.

3. Long service increments shall be single; no other values are allowed.

4. In the event that a position has been re-evaluated subsequent to July 1, 1976 and a staff member has been in that position since that time, he or she may be eligible for a long service increment depending on the particular circumstances. Eligibility will depend on level of salary under the previous evaluation, level of salary under the new evaluation and the payment of any salary increase at the time of re-evaluation. Under no circumstances will the 1979-80 salary of such a staff member be less than what it would have been had the position not been re-evaluated.

Tennis Program

The Department of Athletic Services in conjunction with Coronation Park Indoor Tennis Limited is offering Tennis programs. Beginner, Intermediate, and Advanced lessons are available. Four one-hour lessons, two round robin Tournaments, racquets (if necessary), balls, and qualified instruction are included for the fee of \$30 per person.

For further information and registration forms contact the Department of Athletic Services, W1-34 Physical Education Building.

Academic Confrontations

A series of television interviews with members of the academic staff in various disciplines will start in the next few weeks on QCTV (cable 10). The series has been prepared by Dr. Matejko of the Department of Sociology. The half hour programs deal with the academic background of participants and with their major interests. The purpose of the programs is to introduce the Edmonton public to several academic disciplines and their representatives. Those people who are interested in contributing to the programs should contact Dr. Matejko, telephone 432-3384 or 432-5234.

Travel Slide or Film Presentations Required

The Office of Student Affairs in conjunction with the Faculty of Extension

will again present a travel course as part of the Spring Session for Senior Citizens. We require a few more people who have slide or film presentations of special interest to share with an enthusiastic audience. We especially would like to include underwater scenery as well as an aerial view of some area of the world. If interested, call Marion Nicely, Office of Student Affairs, 432-4145. (An honorarium is offered.)

Radiation Safety Course

The Radiation Control Committee is planning on holding another Radiation Safety Course for individuals using or planning to use radioactive materials at the University of Alberta. The course is designed to give individuals, primarily at the technician level, some basic training in the safe use of radioactive materials in the laboratory. However, graduate students, faculty members and other interested persons are welcome.

The course is scheduled to begin on 16 April. Enrolment in the course is restricted to fifteen persons. Individuals interested in attending the course can obtain registration forms from the Radiation Control Office by telephoning 432-5655. There will be a fee of \$1 per course participant to cover the cost of training manuals.

Alliance Française d'Edmonton

The school of the Alliance Française d'Edmonton, a non-profit organization, is offering late afternoon (4:15 to 5:15) and evening (6:30 to 8:00) courses of ten weeks' duration for children and adults at all levels of instruction. Cost is \$2.25 per hour per child, or \$3.25 per hour per adult. Registration will occur from 16 to 18 April between 4 p.m. and 8 p.m. in room 232 Education Building. For more information contact P. Dubé, telephone 435-1969.

Lost and Found

From time to time, numerous items of clothing, books, glasses, and other articles are turned into the Lost and Found Department of Campus Security. Also, on a regular basis, Campus Security collects such articles from the various buildings on Campus where they have been found and not claimed. Lost items are retained at Campus Security office.

Research Grants

Granting Agencies:

Application Deadlines

This list of deadline dates for submissions to granting agencies for research funds, exchange programs, and travel grants is published every month in *Folio*. To allow sufficient time for processing, all applications should reach the Research Grants and Contracts Office at least ten days before the deadline date. Where other University resources are involved, the time may

be much longer than ten days and such applications should be submitted well in advance. An extra copy of the application should be provided for the Research Grants and Contracts Office.

Further information may be obtained by consulting the *Calendar of Granting Agencies for Research Funds, Exchange Programs, and Travel Grants*, which is available in the offices of Deans, Directors of Institutes and Centres, and the Department Chairmen, or by telephoning the Research Grants and Contracts Office, 432-5360. Note:

Although the *Calendar* is updated on a continuous basis, *the following information is subject to change without notice*. If staff members have advance information on forthcoming changes, the Research Grants and Contracts Office would appreciate being advised. Code: (R) Research Funds; (E) Exchange programs; (T) Travel grants.

Granting Agency	Deadline Date

Positions Vacant

On-Campus

English Studies Librarian

The University of Alberta Library invites applications for the position of Assistant Reference Librarian in the Humanities and Social Sciences Library. Duties involve reference services, development of orientation programs, bibliographic seminars and collection development with primary responsibilities for English language and literature, including Canadian literature in English. A graduate degree in Library Science and a subject degree in English, preferably with some concentration in Canadian Literature,

is required. Previous experience in academic libraries is desirable. Salary is according to experience and qualifications. Salary range: \$14,333 to \$24,060 per annum. Academic status, excellent fringe benefits, removal grant are included. Applicants should send curriculum vitae, transcripts of academic record, and the names of three references to the Librarian, University of Alberta, Edmonton, Alberta, T6G 2J8. The University of Alberta is an equal opportunity employer.

Assistant Science Librarian

The University of Alberta Library invites applications for the position of Assistant Librarian in the Science Library. Principal duties include the administration of the library in the absence of the Head; coordination of collection development activities; and some reference work, including online searching. A graduate degree in Library Science and subject degree in Science or Engineering is required. Five years professional experience, preferably in academic libraries, plus proven ability in collection development is desirable. Salary is according to experience and qualifications. Salary range \$18,530 to \$24,060 per annum. Academic status, excellent fringe benefits, removal grant are included. Applicants should send curriculum vitae, transcripts of academic record, and the names of three referees to the Librarian, The University of Alberta, Edmonton, Alberta, T6G 2J8. The University of Alberta is an equal opportunity employer.

Head, Acquisitions

The University of Alberta Library invites applications for the position of Head of Acquisitions, to be responsible for the order and receipt of all bibliographic materials, including serials. The Acquisitions Division has a staff of thirty-five and processes some 65,000 orders and receipts per year, in addition to 15,000 periodical subscriptions. Monograph order procedures are computer assisted. Applicants must have a graduate degree in Library Science and should have at least five years of relevant experience, some, preferably, in a managerial capacity, good organizational ability, and some familiarity with computerized operations. Salary is according to experience and qualifications. Salary range: \$20,900 to \$26,430 per annum. Academic status, excellent fringe benefits, removal grant are included. Applicants should send curriculum vitae, transcripts of academic record, and the names of three referees to the Librarian, the University of Alberta, Edmonton, Alberta, T6G 2J8. The University of Alberta is an equal opportunity employer.

Cataloguer

The University of Alberta Library invites applications for the position of cataloguer from candidates with a

subject background in the Social Sciences. A graduate degree in Library Science, knowledge of German and one or more other modern European languages is required. Previous cataloguing experience is highly desirable. Salary according to experience and qualifications. Salary range: \$14,333 to \$24,060 per annum. Academic status, excellent fringe benefits, removal grant are included. Applicants should send curriculum vitae, transcript of academic record, and the names of three referees to the Librarian, University of Alberta, Edmonton, Alberta, T6G 2J8. The University of Alberta is an equal opportunity employer.
